

Valley Regional Hospital Foundation Health and Wellness Expo

Saturday – October 12th, 2019
Main Gymnasium – Acadia University Athletic Complex
Expo: 10pm - 7pm

The Expo will give your business, or organization the chance to showcase itself to the over 3,500 Valley Harvest Marathon participants, plus all their friends, family, volunteers and other members of the community. During the Expo each one of our participants will be passing by the Expo to receive their race kits, giving you the chance to grab their attention with your products and services.

The Valley Harvest Marathon has a 60/40 split between women and men and the most active participants are women from 25 to 59. We're also expecting 1000 children to participate in the free Kids Run bringing along their parents and guardians with them. Giving you the chance to reach an even larger audience.

The Valley Regional Hospital Foundation's Health & Wellness Expo will take place at the Acadia University Main Gym from 10:00 am – 7:00 pm while event participants are picking up their race kits, registering for events and bringing children in for the Valley Harvest Kids Run.
