Join us at the Valley Harvest Marathon Expo as we celebrate active living in the gorgeous Annapolis Valley on Thanksgiving weekend.

Saturday October 10th, 2026

War Memorial Gymnasium, Acadia University

The Valley Harvest Marathon Expo will give your business, or organization the chance to showcase itself to over 1,500 participants, plus all their friends, family, volunteers, and other members of the community. The Expo will take place during the Valley Harvest Marathon Kit Pick Up in Wolfville and the Youth Run, providing lots of opportunity to engage with individuals who care about active living and healthy futures.

With over 750 children and their families joining us for the complimentary Youth Run, thanks to our partners at Mud Creek Rotary Club, there is even more opportunity to connect with a larger audience

If you would like to be an exhibitor at the Valley Harvest Marathon Expo complete and return the application with payment.
